

I hope u don't think  forgot that
passionate letter u sent me. ... here's my reply.

u ever been tied up & blindfolded, Stripped naked
& Washed from head to toe in a bubble bath?
Ever been oiled down & massaged to the sounds
of slow sensual music? Ever been tied to a bedpost
and licked like a lollipop? Ever been f [redacted] so
hard by a n [redacted] that u get to shaking and quivering?
Ever had the taste sucked from your mouth
taken thru 12 positions of lovemaking so thoroughly
that you are too tired to shower or get dressed?
Ever been touched with the masculine hands of
a n [redacted] with nothing 2 lose? Do u know what
a n [redacted] could do with a cucumber, some baby
oil and a full pack of condoms? Ever suck a
n [redacted] manhood while he pulled softly on your
hair? Ever had a n [redacted] slide his manhood
through the middle of your beautiful breasts?
Ever @ what a n [redacted] could do with a tray
of ice and some honey? Ever been f [redacted] by me?

Until the End
of Time
