Re: Alexis McFarland a/k/a "Alexis Sky"

Dear Attorney Gray:

I am in receipt of your cease and desist letter directed to my client, dated as of January 10, 2017. Please be advised that my client has stated unequivocally that she was not and is not the source of any leaked photographs and/or video containing the explicit images of your client, Mr. Maxwell.

To the contrary, Ms. McFarland is emotionally devastated by the unauthorized release of these very personal and private images of her. We are currently taking steps to have the images removed from online websites, as well as investigating the source of the leak. Indeed, upon information and belief, the leaked material was most recently under your client's control and, in all likelihood, was released by someone gaining access to the materials through him, with or without his knowledge. Accordingly, I must demand that your client **CEASE and DESIST** and take immediate action to secure any similar sensitive material and prevent further distribution and/or publication.

This letter is not intended to constitute a full statement of the facts involved in this matter. All of my client's rights and/or remedies are hereby expressly reserved.

If you have any questions or wish to discuss this matter further, please do not hesitate to contact me.

Very truly yours,

Eric Croone, Esq.
