

## Notice to Press

Tiger Woods will be speaking to a small group of friends, colleagues and close associates at 11 a.m. (EST) Friday at the TPC Sawgrass clubhouse in Ponte Vedra Beach, FL. Tiger plans to discuss his past and his future and he intends to apologize for his behavior.

This will not be an open media event. However, it is understood that there are many media who are interested in what he has to say. In order to accommodate as best we can, we are working to arrange pool coverage of Tiger's remarks.

There will be a network pool camera providing coverage of his talk. The feed will be available live to any network or station that wishes to air it. A limited number of print and wire service reporters will be in attendance and will share their notes, color and background on a pooled basis. We are working with the Golf Writers Association of America to arrange for pool coverage.

As a courtesy, there will be a room made available at a nearby conference center for **credentialed reporters** to watch his talk on the televised feed. The location: Champions Room D and E at the Sawgrass Marriott 1000 PGA Tour Boulevard, Ponte Vedra, FL.

Reporters are asked to reserve a space in the room and there will be limited seating available. If you plan to attend, please email: [reception@etwcorporation.com](mailto:reception@etwcorporation.com)

\*\*\* Note to print media: Reporters do not have to be in the conference room to receive the notes, color and background gathered by the pool reporters. All credentialed reporters who provide their email addresses will get a copy of the notes as soon as they are available. To put your name on this list, send your email address to [reception@etwcorporation.com](mailto:reception@etwcorporation.com)

\*\*\* Note to television media: Satellite coordinates will available later in the week. Please email: [reception@etwcorporation.com](mailto:reception@etwcorporation.com) for additional information. Satellite TV trucks can park at the conference center.
