I'm not going to say it was my money (Valencia P. Love) or his (RKelly) money and he's not broke. He was going to post bond by Thursday anyway. He's my friend and I knew he needed help.

There are three sides to every story, his side, there's (the alleged victims), and the truth.

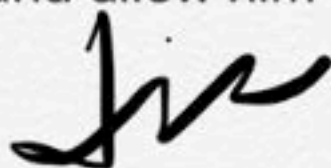

I can't say they're lying (the girls/young ladies).

It wasn't my money, I'm not going to say whose money it is.

I don't condone any man sodomizing anyone or abusing a woman.

He (RKelly) told me he was innocent, if he did it he is wrong. If he did it that's wrong. He's telling me he's innocent.

I wasn't there, you (Tia Ewing) wasn't there, give him the chance and allow him to prove his innocence.

He's not a monster, he's not.

Look at all these priest, why isn't anyone

He's not a monster, he's not.

Look at all these priest, why isn't anyone going after them. Their having a summit over that right now.

Why isn't anyone focused on Kierra Coles (missing pregnant postal worker in Chicago, gone since October 2018)? The media focused on Jayme Closs. Why isn't anyone looking for Kierra?

He's (RKelly) only been a gentleman to me.

The prosecutors and attorney general need to be prosecuting the priest that were sleeping with 5 and 6 year old children.

Let him (RKelly) have his chance in court to prove if he's innocent or guilty.

As a friend if he says he's innocent, I can only believe that he is innocent.

I'm not in support of any pedophile, I don't support that at all.

He was going to get out regardless, I just

No one is giving the stories that really need attention, the coverage they deserve.
