Nadya Suleman
[REDACTED]

Dear Nadya,

I was sorry to read about the problem you are facing with the possible foreclosure of your home. I can only imagine the anxiety that this must be causing you and your family.

We want to reiterate that our offer of an agreement to work with Vivid is still an option for you to consider.

I welcome an opportunity to meet with you or your representatives to work out a fair deal. If we can accomplish that, we will buy your house for you so that you can own it free and clear.

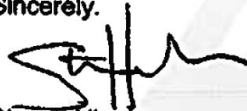

As the leader in adult entertainment, we can assure you that your film portrayal will be not only in a positive light but work that you can be proud of. We have extensive experience in working with beautiful and sexy women and would be pleased to review some of our movies with you.

I understand that time is of the essence and so I invite you or your attorney to call me directly to discuss this offer. If we can agree on terms we can then quickly draw up the necessary papers to meet your deadline, which we understand is at the end of business on Tuesday, March 23rd.

By working with Vivid Entertainment you would be joining a growing list of prominent celebrities whose movies we have distributed under the Vivid-Celeb imprint. They include Kim Kardashian, Shauna Sand, former Miss USA Kelli McCarty and many others.

I look forward to hearing from you quickly and working out a mutually acceptable agreement.

Sincerely,

Steven Hirsch
