Paul Howard, Jr., District Attorney

Dear Mr. Howard,

This letter is a follow-up to my leave request of February 2014. At that time, you were kind enough to grant a temporary leave of absence through May 30, 2014. For this I am extremely appreciative.

Although my true passion is in the prosecution of criminal cases, the opportunities which led to my original request have unexpectedly extended beyond the leave period that you granted. It would be unfair to my colleagues, the District Attorney's Office and the citizens of Fulton County to ask that you hold my position any longer. Therefore, it is with great sadness that I tender my resignation effective immediately.

By year's end, I expect that my obligations will have concluded. At that time, I sincerely hope you will strongly consider me for re-hire. I cannot thank you enough for the opportunity to have served the public by working with you and the amazing employees at the District Attorney's Office.

Sincerely,

A handwritten signature in blue ink that reads "Andi Dorfman".
