congrats karen, you've changed your mind again. it makes you look really childish. i am trying to get this over with.

if you are trying to say you only want me to see my kids two days a week you are crazy.

dont you see how much you only care about how things benefit you? if it works for you its great. you dont give a damn what's good for me. i dont respect that at all and you've been doing it for long time now, it's totally selfish.

i'm not going to bull you into anything, and david never would. you agreed to meet without lawyers making this a [REDACTED] mess. and you apologized to david and stacy for the trouble you caused. dont go back on it YET AGAIN and cause more trouble now karen! for god sakes stop. you've made a verbal agreement, stand by your word.

my concen with auerbach is because i dont want the kids involved in any of that crap. you aren't thining ahead. that's a possible twelve fucking years i'mg going to have to be sitting in kids chairs next to that asshole with other people trying to lump us in together. he gets yet another freee reign to follow me around and copy me and push himself into my world. its so easy for you to sit there and thing youre taking the high road. then why do you not want scarlett and maddie in the same class? why are you involving scarlett in your opinions karen? she loves maddie what's the matter? see what i'm saying now?

you have shown me so much disrespect in the past few months and you sit there saying you want to have a better relationship with me? haha jesus. you dont get to have it both ways karen. i am NOT ever going to therapy with you and acting out some bull [REDACTED] so you can tell your friends you did the right thing.

you know what the right thing to do is? not treat the childrens father like shit. their father who sat alone on his birthday, who is currently not painting rocks with his kids from thier trip because thier mother didn't get any with them for our project. the father who has to listen to your lies come through scarlett constantly like how she keeps telling me you're buying a new house by virgil and you're moving, which you denied. etc, etc. you treat me like [REDACTED], why the hell would i want to go to therapy with you?

[REDACTED]

[REDACTED]

i'm not extending this anymore, and we're not getting lawyers involved to rip me off. we're doing what you said you were going to do.

ok let's just nip this fake "harrasment" b [redacted] right now.
i'm allowed to communicate with my wife.

absolutely no threat as been made in any possible way.
you have no right to tell me how i can communicate with my wife.
especially since until this morning she had gone back to our verbal
agreement of settling this without mediation.

and you have no right to insinuate that her safety is in jeapordy.
absolutely disgusting. no matter how much it feeds your money
grubbing parasitic lawyer tendencies miss jenkins.
you are the one turning this into a standard destruction of a
friendship so that it feeds your dirty lawyer checkbook.

you have no right to try to villainize me to help your aims.
absolutely disgusting.

"i knew you would get control of him"??:

excuse me?

where do you get this villainy from?

it is abslutely deplorable how you are manipulating karen
into feeding your checkbook. everything was fine until
you started pushing her into this disgusting reaction.

More from Rose's office.

Jack, don't contact her again for now. She's just feeding all of this to her lawyer.

Let's talk.

Thank you. I knew you would get control of him. He just sent another email to the business manager in California with derogatory remarks about her and copied her on it.

He has called 5 times in 10 minutes. She's not answering the phone. She is afraid of him. He has to stop the harassment.

Hi Joanna,

I was not sure what your working schedule is, especially this week and probably the next few weeks. However, we need to do something about this. Please ask Mr. White to stop contacting Ms. Elson with regard to settlements.

If I need to send this directly to Cathy, just let me know.

Thanks!
Dee

guess who changed her mind yet again everybody?

yes it's karen!

karen would like to now go to mediation again and let a stranger decide our situation for us!

i love how she gets to go against our verbal agreement whenever she feels like it and drag this out for years. super fun!

i apologize to everyone in our camp for having to deal with this flip flopping over and over again, and i apologize from my entire family how embarrassing this has become.

NOW WE CAN HAVE A REALLY NICE HORRIBLE MEDIATION. UNTIL KAREN CHANGES HER MIND AGAIN AND DECIDES TO TAKE THIS TO COURT!

JUST WAIT! SHE WILL!

THANKS A TON KAREN, YOU'RE MAKING LIFE SO GREAT FOR ME THE CHILDREN, AND EVERYONE WE KNOW!
