DECLARATION OF LEONARDO DICAPRIO

I, Leonardo DiCaprio, declare as follows:

1. I do not know and am not personally acquainted with Ms. Livia Bistriceanu and I have no desire to have any contact with her. Nevertheless, Ms. Bistriceanu has repeatedly attempted to contact me, sending me unwanted and unsolicited letters in which she has expressed delusional thoughts and irrational feelings, calling and showing up at companies and businesses I am associated with, and, most recently, locating and traveling to my private residence. Given this obsessive and harassing behavior, I am frightened of Ms. Bistriceanu and feel that my personal safety, and the personal safety of those around me, is in jeopardy.

2. Without a restraining order, I fear that there will not be sufficient law enforcement mechanisms to keep Ms. Bistriceanu away from me, or those around me, especially since she (1) apparently maintains a delusional belief that she is my wife and carrying my child, Jesus, (2) has recently stated and/or threatened that we will live together "forever . . . in His Kingdom", (3) has managed to locate and identify my private residence, and (4) has evidenced a willingness to make physical contact with me regardless of the consequences. (*See* Declaration of Ericka Uyeda [detailing the history of Ms. Bistriceanu's obsessive, harassing, and threatening behavior].)

3. Given all of the above, I believe Ms. Bistriceanu will continue to engage in this behavior, and that this behavior will only escalate, unless and until she is ordered by this court to stop.

I declare under penalty of perjury that the foregoing is true and correct.

Executed this 24th day of August, 2010, in Los Angeles, California.
