Dear ABC, (Dancing with the Stars)

After viewing and hearing Nancy's Grace's alleged "toot" after her performance on "Dancing With The Stars", our staff here at Clips4sale.com who have a real nose for news, would like to acquire the rights of the three second footage from ABC.

We wish to acquire this for our members of our web site who are "Flatulophiliacs" or simply put, "Fart Fanatics". In case you aren't aware, this is a very popular niche online and we know just how many of Nancy's fan's would love to relive the moment in the privacy of their own homes via our site.

Passing gas is as natural as breathing, and our members are waiting with baited breath.

Please get back to me at your earliest convenience.

Best Regards,
