Dear Tony,
we took most of the stuff I think - we're
gradually going thru it - if we picked up anything
of yours - or something you need (don't panic!)
we'll put it back or send it depending
where you are. Hope it's o.k. Mer^x - it sounds it

From Apple

Also, we want to ^{get on with} producing Ornette -
Yoko record under Apple before Easter.
That will be very good.

So could you wire immediately where the
master tapes of concert and rehearsal are?
We can't find them.

Also, wire how we can get "Wrapping
Event" "Preview of No. 4 Film" etc.
