

Dear Christy

Its Rick Sherman here - Im the English bloke what come into you're picture shop last year to show you the art I done when I was in the nick.

firstly I want to say how lovely it was to meet you, I hope your well and staying out of trouble. As for me, I told you I had only ever done one thing wrong, just 14 times - well you can make that 15 now HAHHAHA! meaning that after a bit of time outside painting oil on canvas, Im now back in HMP Belmarsh painting teeces on plaster again!

Anyway, say la vie! Do you remember I went into your bog and done a painting of you - "Catharsis on Christy"? Well having given that painting to you, when I got back to my hotel, I found it was somehow in my bag, along with 4 other paintings from your place - don't know how they got there HAHHAHA!

Well its been bothering me so I wanted to return it. Please accept my gift of "Catharsis on Christy" - it comes from the bottom of my heart - or should I say the heart of my bottom HAHHAHA!

All the Best,

Rick
