

GAME OF THRONES

November 2, 2016

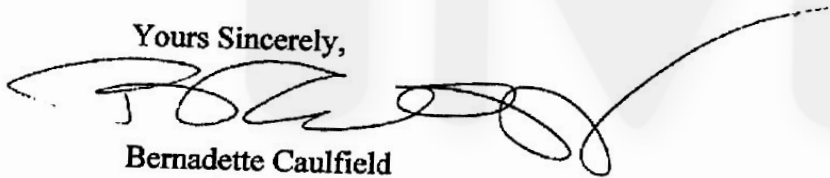

Re: Game of Thrones, Season 7

Dear Lena,

This is a notification to confirm that you must be available in November and December 2016 for filming and throughout January 2017 for possible additional scenes and pick-ups.

As you are well aware, we are shooting through February 2017. Hopefully you will not be required past January 31st.

Yours Sincerely,

Bernadette Caulfield
Executive Producer
Game of Thrones
