

Hi _____,

Thanks so much for your interest!

Before Pauly moves forward, he'd like you to please answer the following questions and get them back to me as soon as possible.

Please elaborate on the questions as needed. Also, he fully understands you probably won't personally know the answers to all of these questions (not many people would), but please be honest with the stuff you do know and if you don't know, elaborate on if you have people in your life that would (For example - You might never have tour managed before, but have friends that have. Please be specific.) His attitude is that there are no problems - just solutions.

Thanks!

--How many words do you type per minute? On occasion, Pauly likes to verbally get his thoughts out and have you dictate and organize them in a presentable fashion, so he wants to make sure you are comfortable typing quickly.

--Have you ever booked flights online? Pauly spends a lot of time on the road doing shows or promotion, so he just wants to make sure you have done this before and know the best sites out there to get the best tickets.

--Are you willing to go on the road with Pauly? Have you ever been on the road with a comic/musician?

--Have you ever tour managed?

--Do you have a background in mathematics?

--On a scale of 1-10, how tech savvy are you?

--Are you organized?

--Do you have access to interns/PAs that would occasionally work under you for free?

--Who are the top three people that you know in the industry that you can

get on the phone immediately?

--Have you ever done publicity for anyone (radio/print/online)?

--Have you ever been to a comedy club?

--Have you ever traveled? Where?

--Have you ever done any web design?

--Have you ever been involved in any sort of production (In front of camera, behind, legally, etc.)? What have you done?

--Log on to PaulyShore.com <<http://PaulyShore.com>> and tell what works and what's not working about the site.

--What are your aspirations in the business?

--Are you a fan of Pauly? If you are, be very specific - tell some of your favorite Pauly Shore movies/shows/moments? Have you ever seen any of his independent stuff (PSID, Natural Born Komics, etc.)?

--Being that you would be Pauly's personal assistant, you would know every little personal thing about him and have access to everything, so he would like to know everything about you. So please tell us information about yourself - Married/Relationship, Age, Sex, Kids, Siblings, Financial Situation, College, etc. It's about transparency - this will not be used against you in the interview process.
